Minimum order £100

Welcome to JD's Food Group

JD's Food Group has travelled a long way since commencing trading in 1987.

In those days our family run business was a one van operation, which specialised in supplying bread to independent grocers.

Although times have changed, our ethos has always been to understand our clients needs and to provide a comprehensive and personalised service. It is due to our commitment to customer care that we attribute our success and subsequent growth.

Following a number of acquisitions, the JD's Food Group of the new millennium services some 1400 sites within the M25 and the Home Counties. We continue to add to our fleet of refrigerated vehicles and have invested in a new, modern depot in North London. Our huge product range enables us to service a varied client base ranging from corner shops, delicatessens, snack and sandwich bars, blue chip companies and caterers.

Food For Thought

Our commitment to quality control and customer satisfaction includes:

- > Continual temperature monitoring and custom designed HACCP
- > Temperature controlled vehicles, cleaned and sprayed with bactericide 3 times a week
- > A dedicated in house telesales team and field sales representatives
- > Investment in new technology, enabling efficient distribution and accounting
- > 24 hour transport management centre
- > Fresh supplies coming in to our depot throughout the night of short shelf life products to ensure you receive the freshest product with maximum shelf life.

As a family concern, it is our nature to offer a welcoming personal approach when discussing your needs and our competitive edge on pricing is gained through buying power.

You can be confident that with JD's Food Group as your business supplier you are guaranteed value and a first class service.

Large enough to offer a wide product range,
yet small enough to cater for your individual requirements

**We do try to be as competitive as possible. If you find a product cheaper elsewhere please contact us
and we will do our best to match or beat the price.**

NEW FOR 2025
